Recognition

Permanent signage is a **requirement** of the Co-op Community Spaces program. It refers to an individual sign recognizing Co-op for their contribution (size of sign is negotiable). FCL is responsible for all costs and administration required for the design and installation of signage.

Here are a few examples:

*Will your organization be required to receive permission from another entity prior to signage installation?

E.g., permission from town for signage installation

* Is there an opportunity for naming rights on all or part of the proposed project? Naming rights are defined as the right for Co-op to name a space (E.g. Co-op Community Playground).

Please note: If you select yes for either of the above recognition options, it will be discussed and required as part of the final funding contract negotiation.

*Is there an opportunity to support your local Co-op purchases related to the project?

(Please select all possible project purchases that may happen at your local Co-op)
